Thread

Tanne 30
or fine metallic thread

Bobbins

40 pairs

Hang 2 pairs at the back of the pillow, then work half stitch pin half stitch into top hole.
Then bring the rest of the bobbins in and out at each side as in working diagram.

Fan

Work in wholestitch to 5th pinhole of the fan. Wholestitch through 2pairs, put a twist on the third pair.
Then a twist on the worker pair, then halfstitch 1 pair, then wholestitch to end of row.
Carry on this way half stitching through 1pair untill the 5th hole from the end of the fan.
Then wholestitch to end of fan.
Fan complete.

I used a 3inch [7.5 centremetres] bangle pinned to the pillow and working the lace inside of it.
