Mettler Stickgarn cotton 30

2 beads for eyes

Working with the back of the lace up, work hat in half stitch, ct, in direction of arrow. Tie off ends.

Next work the beard in cloth stitch ctc

towards hat, working two leaf talleys for moustache. Plait back to center behind leaves before finishing face.

Face is worked down towards the moustache, adding beads for eyes, and working a rolled talley for nose. Leave space to push nose through to front and sew closed when off pillow.

Work each border from edge to beard in cloth stitch.

Work filling in torchon ground ct pin ct with spiders as indicated.

Starch (I used hairspray) on pillow and then push beads and nose through to front of face.
